

## **About Country**

Singapore is a home to millions of Chinese, Malaysian, Indian and Eurasian people. The country has a multiracial society with current population of about 2011 census 5,183,700 (of whom 3,257,000 are Singapore citizens). Home to the busiest port in the world and the 3rd largest financial trading hub Singapore has been ranked as the most preferred destination in terms of quality of living,.

Singapore has been ranked as the most preferred destination by Asian expatriates in terms of quality of living.

## **Religion**

Buddhism is the most widely practised religion in Singapore, with 33% of the resident population declaring themselves adherents at the most recent census. The next largest religious demographics, in order of size, are Christianity, non-religious, Islam, Taoism and Hinduism. The proportion of Christians, Taoists and non-religious people increased between 2000 and 2010 by about 3% each, while the proportion of Buddhists decreased. Other faiths remained largely stable in their share of the population.

## **Time zone**

SST (UTC+8)

## **Weather**

A tropical rainforest climate, also known as an equatorial climate, is a type of tropical climate in which there is no dry season. Tropical rainforest climates have no pronounced summer or winter; it is hot and wet throughout the year and rainfall is heavy and falls throughout the afternoon frequently.

Average daily temperatures are at around 27°C throughout the year. Extensive cloud cover and heavy rainfall prevent diurnal temperatures from rising much over 33°C. Rainfall is heavy and is usually convectonal.

## Education System

The Ministry of Education aims to help students to discover their own talents, to make the best of these talents and realise their full potential, and to develop a passion for learning that lasts through life.

They have a strong education system. Singapore students aim high and they achieve very good results. This is recognised around the world.

## Academic Requirement

Most of the universities in Singapore admit international students from countries like India, Malaysia, Nepal and Hong Kong etc.

Students must have completed at least twelve years of education before applying for undergraduate courses at Singapore universities.

Though SAT scores are not required for international students, mentioning the scores help gain entry easily.
